

# DIRECTIONS

## Lester B. Pearson (Toronto International) Airport to b<sup>2</sup> Retail Solutions

*Note: both the airport and b<sup>2</sup> Retail Solutions are located in Mississauga, immediately to the west of Toronto. There are rental cars on site at each of the three airport terminals. There are four main east/west highway arteries for the Greater Toronto Area: the 401, 403, 407 (toll route) and the Queen Elizabeth Way (QEW). The 427 travels north-to-south, connecting the east/west routes.*

### From Highway 427/QEW

- When you leave the terminal, follow signs directing you to Highway 427 south.
- Take the 427 south until it ends at the Queen Elizabeth Way (QEW).
- Exit right from 427 onto the QEW west.
- Exit right from QEW at Cawthra Road (exit # 134, after the Dixie Road exit).
- Turn right at the end of the exit ramp and travel north on Cawthra. *b<sup>2</sup> Retail Solutions is on the northeast corner of the first major intersection (Cawthra/Queensway).*
- **Continue north on Cawthra past the Queensway**, then make an immediate right into the first driveway, marked with a brown and white sign indicating **"755"**.
- Make a sharp right immediately to drive around to the front of the building and park in the visitor parking.
- Enter through the main door and take the elevator or stairs to the third floor.
- Check in with the Davis receptionist (immediately across the elevator lobby) to meet your contact at b<sup>2</sup> Retail Solutions.

### Parking

Free visitor is located along the front of the building. If the lot is completely full, which is very rare, continue around to the northeast end of the building to access the overflow parking lot.
